

JEWEL SWIVEL

Frame Construction:

Jewel swivel has multiple-ply plywood seat and back.

Seat Construction:

Seat features substantial polyurethane padding for maximum comfort and extra thick back cushioning for lasting back support.

Controls and Bases:

Swivel chair features standard pneumatic lift and 5-prong polished aluminum base with dual wheel, partial hooded black casters. Includes knee tilt mechanism for reclining capabilities.

Materials:

High grade European black leather with chrome support rail offers a blend of high design and comfort.

GO:

☞ seating items deliver on or before 12 business days. When ordering GO items, be sure to designate these items with a GO in front of the model number.
