

# SPLASH SWIVEL

**Frame Construction:**

Splash swivels feature hardwood frames, double-doweled or tenoned, corner blocked, glued and screwed for maximum strength. Tough Euroluxe finish is resistant to dents and scratches.

**Seat Construction:**

Poly seats feature curved plywood seat pans and polypropylene seat webbing for long-lasting support and comfort. Polyurethane foam in seat cushions and back cushions provides high resiliency and comfort.

**Controls and Bases:**

Splash swivel chair features standard pneumatic lift. Black polyurethane base with black dual-wheel hooded casters is standard. Optional wood bases, and casters are available.

**Companion:**

This collection features a companion side chair. See page 415.
